

TCFD Index

The Taskforce on Climate related Financial Disclosures (TCFD) has developed a climate related financial risk disclosure framework for companies to provide information to investors, lenders, insurers and other stakeholders.

Our climate related disclosures comply with the TCFD recommendations and disclosures. The index table below provides a reference to where these disclosures can be found. A separate TCFD statement is available which provides more detail of the recommended disclosures and provides easy access for external stakeholders. This TCFD statement can be found on our website www.bunzl.com/sustainability/sustainability-reporting/.
