TCFD INDEX

The Taskforce on Climate-related Financial Disclosures (TCFD) has developed a climate-related financial risk disclosure framework for companies to provide information to investors, lenders, insurers and other stakeholders.

Our climate-related disclosures are consistent with the TCFD recommendations and recommended disclosures as set out in the TCFD framework published in June 2017 and the updated 'Annex' published in 2021. The index table to the right provides a reference to where these disclosures can be found throughout our Annual Report.
